Cinema 30

Hi-fi at its best ... and ultra-compact: the full complement of loudspeakers, but with dimensions that belie the true capabilities of the BS 302. The high-gloss paintwork also makes them an elegant addition to any interior. Supported by the powerful SUB 2030, they create a huge soundstage where even the finest details of movies and music are revealed and the lowest frequencies are felt as well as heard.

Cinema 10

For performance on a grand scale: the Cinema 10 Set delights from the very first moment with its combination of all-inclusive functionality and Plug'n'Play convenience. Thanks to the matching accessories, you will waste no time in finding the perfect position for the satellite loudspeakers. And with their elegant brushed aluminum cabinets, the end result is a visual treat. The subwoofer S10 provides a powerful low-frequency foundation.
